

The following VSO members are vizsla breeders who have paid their annual membership fees, and an additional fee to have their name appear here.

The VSO provides this list as a courtesy only; it does not constitute an endorsement of any of the breeders listed or their breeding practices.

The VSO accepts no liability for any problem arising from the purchase of a puppy from any vizsla breeder.

There are many guides available online and in print to help you learn how to choose an ethical, responsible breeder.

The VSO recommends that you take the time to do this research before buying a puppy. It is ultimately up to the puppy buyer to determine the best breeder for their needs.
